LIFE OBJECTIVE

And he said to him, "You shall love the Lord your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And a second is like it: You shall love your neighbor as yourself. On these two commandments depend all the Law and the Prophets." (Matthew 22:37-40 ESV.)

TEACHING OBJECTIVE

I want my students to understand God's relationship to His creation, understand God's relationship to His creation, to understand how the creation works, to see God in His Creation and to fall greater in love with Him, to love God's creation, and to be good stewards of God's creation.
